FAQ

When is the launch of The Elite Club by Ducatus?
The program has officially launched during the Ducatus Digital Summit 2020 on 8 August 2020.

How will I know that I am successfully qualified for the programme?
To be eligible for the Elite Club, you must have:
1) attended the Ducatus Digital Summit
2) obtained at least a Nickel rank

Once you are deemed qualified, you will receive an e-mail invitation to join the Elite Club which you can accept to confirm your spot. If you earn 333 points before 1st January 2021, you will be in our pioneer batch of Nero status members.

I have accepted the invite and confirmed my spot. Does that mean I'm Nero status?
No. After confirming your place in the Elite Club, you will only get the Nero club status after accumulating the 333 points required.

Is there a membership fee? When will it be charged?
Members of the Elite Club will be charged an annual fee, deductible from the Bonus Credits in the Back Office. The starting annual fee is 500 USD, and the first deduction will be made on 1st January 2021.

As the Bonus Credits are equivalent to the value of DUC, the deducted credit amount will follow the prevailing value of DUC at time of deduction (e.g. If 1 DUC = 0.05 USD, deducted credits to pay for the 500 USD annual fee = 10,000 DUC = 10,000 credits) If there are insufficient credits, the balance can be topped up using the Cash Account.

How do I claim my points?
To claim and accumulate points for the actions you've taken, please submit proof of your participation to Eliteclub@network.ducatus.net.

If you manage to achieve 333 points by the end of 2020, you will be given the Nero status effective 1st January 2021.

I would like to know my progress. Can I check the status of my interactions?
E-mail updates will be sent to you with details of your membership such as benefits you've unlocked and also how close you are to achieving the next tier. There will also be a section in the Back Office showing the points you have accumulated.

I'm not sure if I have bonus credits. What are they for?
You can view the balance of your Bonus Credits in the dashboard of the Back Office. Apart from paying for the Elite Club annual fee, you can also use it to pay for other future Ducatus events and seminars. The credits are equivalent to the value of DUC (1 Bonus Credit = 1 DUC) at the time of redemption.

Can I still qualify for the Nero status if I do not have 333 points by 1 January 2021?
We will admit new members to the Elite Club every 3 months. Hence, if you don't accumulate enough points by 31st December, you can target to reach it by 31 March 2021.

I didn't attend the Ducatus Digital Summit on 8 August 2020. Can I still qualify?
If you attend our upcoming Asian Summit in December 2020 and have a minimum nickel rank by then, you'll also be eligible for an invitation and can aim to qualify for Nero status by 31 March 2020.
